

LETTER OF RECOMMENDATION

ERNST SCHERING PRIZE 2021

Awarded annually by the Schering Stiftung, Berlin, the 50,000-euro Ernst Schering Prize is one of the most prestigious German science awards honoring scientists worldwide whose basic research has pioneered fundamental shifts in biomedical knowledge. A particular focus is on researchers carrying out future-oriented top-level research and engaging in both scientific and public debates.

LETTER OF RECOMMENDATION FOR _____

Please enter your contact details:

Reference provided by _____

Present position _____

Institution _____

Main area of research _____

Email _____ Telephone Number _____

BACKGROUND INFORMATION

1. How long have you known the nominee in a professional capacity?

< 1 year 1 – 5 years 5 – 10 years > 10 years

2. What is the nature of your relationship?

1. SCIENTIFIC ACHIEVEMENT

Please briefly summarize the outstanding scientific achievement that qualifies the nominee for the Ernst Schering Prize (700 characters maximum):

What makes the nominee's scientific work a breakthrough in the field of biomedicine?
(400 characters maximum)

How does the nominee interact with the scientific community to enhance scientific progress? (400 characters maximum)

What does the nominee contribute to inspiring future generations in promising fields of research? (400 characters maximum)

How does the nominee participate in relevant debates between science and society?
(400 characters maximum)

2. FURTHER SCIENTIFIC PURSUITS

Please briefly state what can be expected from the scientific work of the nominee in the future and how the Ernst Schering Prize can serve as a motivating factor (700 characters maximum):

1. Describe why the nominee's research is particularly innovative.

2. Describe what makes the nominee's work inspiring for future generations of scientists and why?

3. Please rank the nominee's work on a scale ranging from high social to high professional added value and explain.

High social value High professional value

3. ADDITIONAL INFORMATION

What personality traits made the applicant a successful scientist (name three):

What sets the nominee apart from his or her scientific peers? (200 characters maximum)

What would you definitely want to include in your presentation speech?
(500 characters maximum)
